◆ Meguru and Kukuri head towards Utsuromiya's room

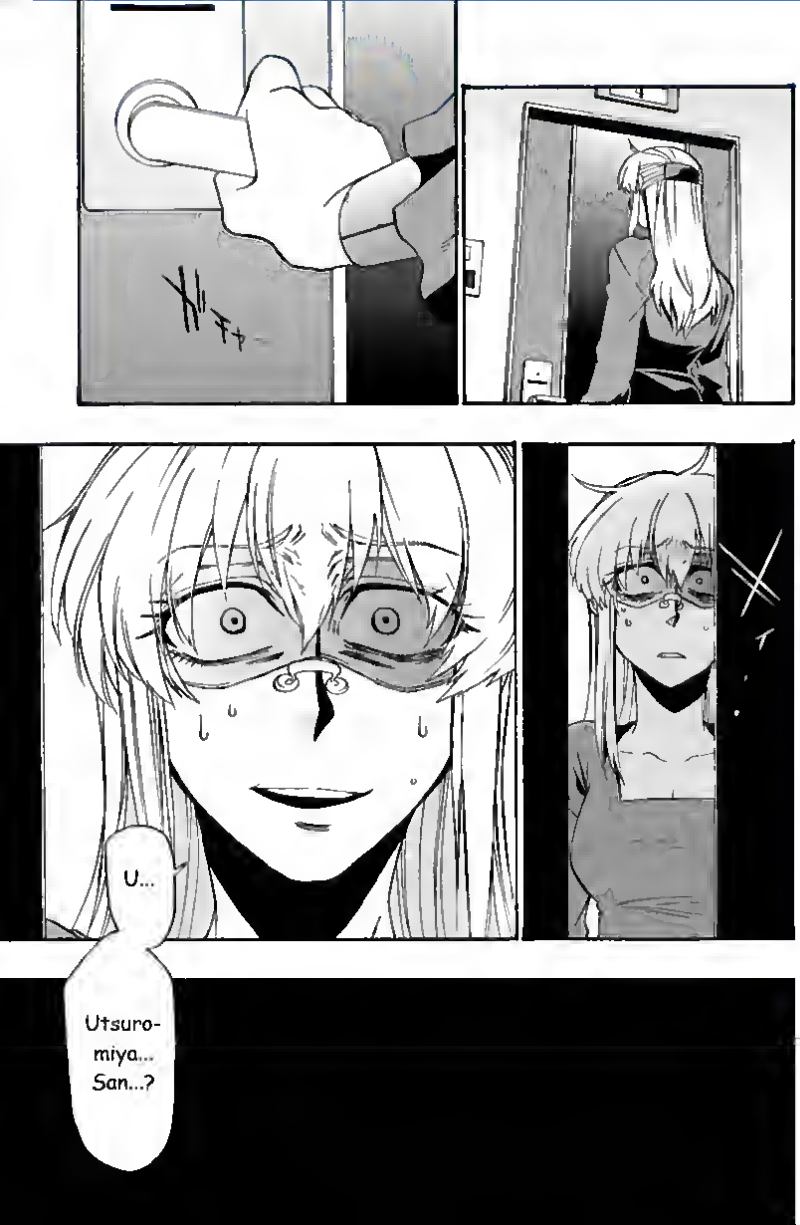
We're here
Well it is still a bit scary It is better than a cone anyway
You sure have come accustamed ta seeing withaut yaur eyes Meguru-san

Ah
Utsuro-miya-san just now did you...
.....!?

...Huh? Utsuro-miya-san shouldn't be moving at all, right?
Wait, didn't she have an exclusive keeper?
If it was that then why didn't they respond when I spoke?
WHO IS THERE!?

Stop
Stop right there!

!?
Gah!
Damn... it...
Hold it!
.....
Get out here now!
You cowaaa-aaaaaaaaaaard!



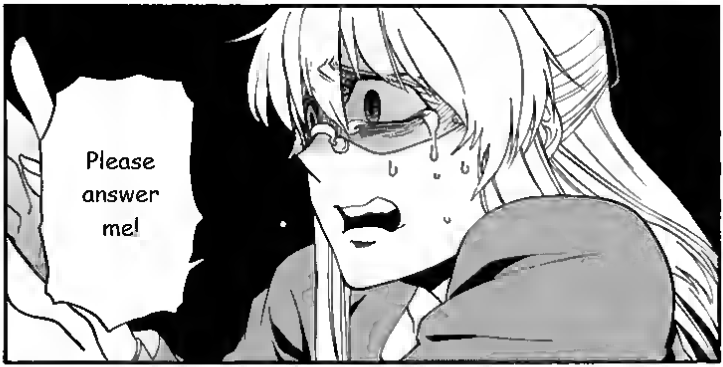
U...
Utsuro-miya... San...?

Haah
Hah
Hah

Utsu... Utsuro-miya-san!
UTSURO-MIYA-SAAAAAN!

Wah...
Uwah...

If you're there...
Hah...



Please answer me!

Scream
あああ
AAH
Aah
There's no way
It...
It can't be...

SCREAM

Kukuri-san...?
!.....
I'm so sorry...
I'm so sorry!
Is Utsuro-miya-san...?

I was the only person with Utsuro-miya-san

It is my fault...

I'm an idiot... I still haven't learned anything...

Even so, I was...!

It's pointless
This game is too depressing for me... What do you get out of it?
After this game ends, you might not regret it, but I will
Now if the two of us died... It would be game over by reaching 5 people
Do you not forgive? That the culprit is still in the game?
Utsuromiya-san... and Nekomachi-san... They're dead
And they were killed in such gruesome ways...
If I am going to live without winning money, what kind of punishment is that?
Let's fight, Kukuri-san
And find the culprit!

PM:5:23
Utsuro-miya-san was killed?
Yes, the culprit ran out before us when we arrived... So it was a one-man crime
Which means we saw the killer!

Her hair was cut and her clothes were ripped!
Even though she had no power to resist...
Have you seen Utsuramiya-san's body?
It was all in lust for money!
Mugu
Her tears... They were still wet!
If I wasn't so foolish to ponder over my own problems... We could have helped her sooner!

Utsura-miya-son, she...
wanted to commit suicide!
She didn't... Deserve this kind of treatment!
Ugu...
Uu...

I can't stand ta see this face...
The culprit will be found and punished

What was that...?
It seems to me...

You're weak!
And stupid!
It is a habit to exceed self-conscious!
I am at fault for this as well!
But Utsuromiya-san didn't have to die because of it!

Meguru-san...
I am willing to cooper-ate
Maybe we can find some sort of evidence
It's useless!
It will be for all of us No matter how hard we tried!

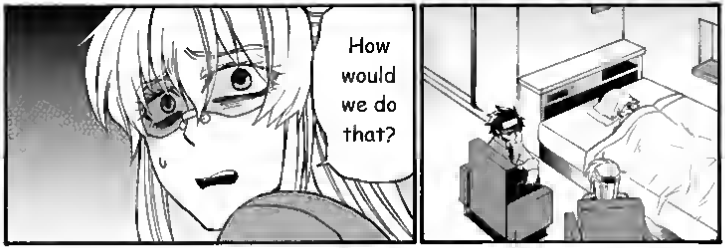
Do you know why we should not go find any evidence!?
Because it will only lead to quarrelling!
Do any of you wonder where Kukuri-san is?
I don't see anyone asking!
She is locked in her room!
However that was until now
Because one of you is the killer!
I know it is!!
We're all in it to win it, right?
I decided to not care about you guys at all!
!?

I am sorry, but that is the culprit and the killer!
If it turns out I am alone with one person...
No need to tell everyone in the room
.....
Let's wish each other luck and a good fight

He...
!?

PM 12:47

Let's fight, Kukuri-san
and find the culprit!



How would we do that?

Becouse you're blinded you didn't notice him and he took precaution to be quiet
Thot con't be!
While you opened the door, the culprit slipped inside
I think I hove an ideo as to how he got in...
It probably went like this

That is incorrect
The door is a blindspot from the bed
Utsuro-miya-san would have noticed something!
The culprit would know everyone is out looking for him and that they would check their backs
Which means
Which means the culprit was waiting outside the door before the crime was committed!
If we tell everyone now that...
!?
We have to keep it a secret that we are looking for the culprit
Why would they do that!?
Or else they would be in desperation to finish up as soon as possible
!?
To clean up their mess... The culprit

The culprit would make sure there was no evidence leading to them
Unless, of course...
We bet on that
If our room key is stolen
Deliberately
We will find out who it is
!
.....
Please explain
How would we come to that approach?
We have the key in my pocket to be stolen
Since I can't see, I won't notice them

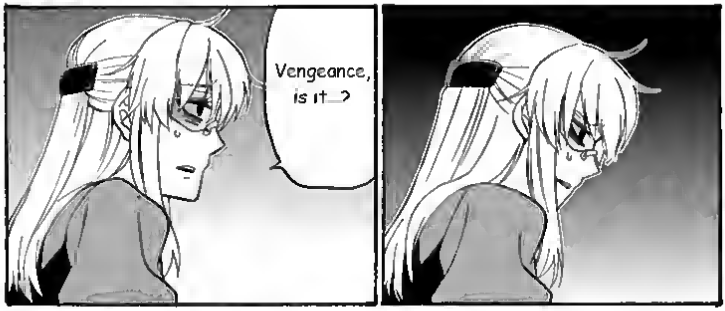
Wouldn't you be acting then?
I'm not acting
It will also alert the culprit that I am confused
Wouldn't it be bothersome to do things with such high risks?
.....
Kukuri-san may you stay in Room #5
And act as a decay?
Because I am really confused

!
Since you appear to have the greater lass of mental damage
And I also feel the culprit would target women as well
It just seems likely the culprit would target you
I'm sorry for asking
"I need one more dead after Kukuri-san is out of commission"
The culprit is probably thinking
He would be committing sexual harassment against me
I can say women are more emotional than men
Women are originally... Meant to be against this game

The participants would get their money and survive
They would lose all reason and act like a mob
Someone would die at any moment afterward
I'm guessing that would fall upon you then?
It would
I would be a sitting duck
I would have to somehow deceive one of them
Or else the mob would attack
Even though I would be a sitting duck it may work to our advantage
We can deceive them! I'm sure of it!

What would you do?
After the culprit is found

Utsuromiya-san and Nekomachi-san died in despair
I'LL KILL THEM
I'll kill them
In despair as well



Vengeance, is it...?

I'm sure Utsuramiya-san would say the same thing. They didn't want ta
You're friendly Meguru-san. Don't do the same thing as the killer
I don't want you ta da that

All we can da is blame it an the bullies...
You aren't thinking pasitive at all!
What is thinking positive?

I'm not sure..
But to take the life of the culprit so easily... Is that fine with you!?
Is it fine like how Shirakogawa nearly killed you!?
Do you want the culprit to kill someone else after we rebel!?
Do you want the culprit to do the same business after the game ends!?
That's
This feels like a mental attack... I'm closing inside
If the killer has a bitter history... I don't want to know it

The wolf in sheep's clothing... Isn't from our world
Ishimakura and Shirako-gawa too... They were bound by their bitter history
Sympathy is no laughing matter!
However!
That's right!
That is something positive!
Kukuri-san! There will be one less killer in this world...

But we're diff-erent!
Only we can judge ourselves, not them!

Killers would normally be tried by the hands of justice

That is a cowordly escape
If it is because you don't want to get your hands dirty

Evil is harmful... Only gaining
They gain from human loss... Not thinking of our own convenience!

It is up to me to solve this ordeal
I come away from moral support
But now I noticed That is the only thing I got left!

That is humans' only desire.
That's why we won't stop fighting
!
We won't let him escape into his fantasies
This is reality
I'll accept my own ego!

For Mawaru's sake
For Kukuri-san's sake
This is for Utsuromiya-san's
And Nekomachi-san's sake

I will fight!
And for my sake too

Hold it!

Who was it?
That just tried to steal my key!?
Meguru catches the culprit in his trap and it is!?
